The Big Buddy Program and Mid City Redevelopment Alliance each received checks in the amount of \$16,000 as beneficiaries of the 23rd Annual Providence Corporate Cup. Gaylynne Mack and Samuel Sanders were on hand to receive the beneficiary checks presented by the management team of Providence Engineering at the Corporate Cup Sponsor Luncheon held on Wednesday, June 15th.

Originally established in 1985 by Rolfe McCollister, Jr., publisher of the Baton Rouge Business Report, the Corporate Cup event is an annual run/walk where thousands of runners and walkers from hundreds of companies in the Greater Baton Rouge area come together to celebrate corporate wellness, camaraderie, and community fellowship for a fun-filled morning. Providence is proud to have brought back this most popular event, which now benefits two non-profit organizations. As proven by the overwhelming participation in the 2008 comeback race, that spirit of fitness and togetherness is alive an well.
